

Perfect Turf

Perfect Turf® HomeTurf 53™

Perfect Turf® HomeTurf 53™ is the new low-cost, yet still high-quality turf style being introduced in 2017. **HomeTurf 53™** is the best product for the money available anywhere. Compare it to Menard's Turf, Home Depot Turf, Lowe's Turf, Costco Turf or Sam's Club Turf. See comparison at buyhometurf.com.

It can be used in any number of landscaping applications such as commercial properties, residential yards, road medians and parkways. The attractive, realistic-looking two-tone polyethylene grass blades combined with the tan thatch layer give this turf its natural look.
